Re: Legal Notices, Notice of Copyright Infringement

With a copy to: legal@vapor.io

You may wish to confer with a lawyer before filing a notice. Copyright law may allow a person to use a work in certain ways without the copyright owner’s permission. Section 512(f) of the DMCA states that a person who knowingly materially misrepresents that material is infringing is subject to liability for damages, including costs and attorneys’ fees incurred by the alleged infringer.

We will share your notice with our customer, and may also share the notice with others. Your notice may be made public.

We will respond to any counter-notices that our customer may provide.
